Subject: Important Notification about your Course Materials

We would like to inform you of an exciting initiative, Hornet ACCESS. The Hornet ACCESS book bundle is designed to ensure students get the course materials they need to succeed prior to your first day of lecture! This email is to notify you that you all your course materials are being provided to you as part of the Hornet ACCESS. You should not purchase any course materials as they are already included in your course charges (Hornets Web) and will be provided to you.

Physical Course Materials: Students will receive an email confirming their materials are ready for pickup. Upon receipt, simply bring your campus ID to the online order pickup area at the campus store to pick up your course materials. **Note:** If you drop or [opt-out](#) of the course on, or prior to, the last day of the DROP/ADD period for the term ([Academic Calendar](#)), you must return the textbook to the campus store. You will not receive a refund until the text book is returned.

Digital Course Materials: Students receiving digital course materials through the Hornet ACCESS program will have them automatically available in Canvas once the course officially begins. Note: If you drop the course from your schedule on or prior to the last day of the DROP/ADD period for this term ([Academic Calendar](#)), your account will automatically be fully refunded.

Beyond Course Materials: You have your course materials. What's next? The Alabama State University bookstore has all the best selection of officially licensed Hornet gear around. We are ready to outfit you head to toe with school spirit. We also look forward to seeing you in the store to grab all your supplies and technology. Don't forget, we even have snacks for those extra-long days!
