Legacy. Leadership. Excellence.

FRIDAY, APRIL 17, 2026 | 10 A.M. | DUNN-OLIVER ACADOME

WHERE HISTORY IS MADE.  
ALABAMA STATE UNIVERSITY

## — SPEAKER — Dr. Cedric Stone

Dr. Cedric L. Stone is a distinguished executive leader, educator, and entrepreneur whose career reflects a deep commitment to expanding opportunity for underserved and underrepresented communities. Rising from a background shaped by inequity, he has dedicated his professional life to building systems, organizations, and pathways that enable others to thrive.

With more than 20 years of corporate leadership experience, Dr. Stone is widely regarded as a strategic planner and results-driven operator who consistently delivers year-over-year growth. His diverse

background spans business, education, and nonprofit sectors, supported by extensive expertise in process optimization, program and project management, and customer experience. He is known for building high-performing teams, strengthening organizational culture, and driving measurable outcomes.

Dr. Stone's leadership extends beyond the corporate arena. He serves on four Boards of Directors across multiple sectors, contributing governance insight, strategic direction, and a steady focus on mission alignment. His work in education includes leading the development of a STEM-focused charter school designed to support at-risk students, guiding the initiative from initial concept through full program design.

A committed lifelong learner, Dr. Stone holds a B.S.B.A. in Marketing from The Ohio State University, an MBA in Management from Miami University, an Ed.D. in Educational Leadership from the University of North Carolina at Charlotte, and a Doctor of Management in Project Management from Colorado Technical University. He is also certified as a Lean Six Sigma Green and Black Belt, bringing advanced process improvement methodologies to every organization he serves.

In addition to his corporate and academic accomplishments, Dr. Stone is a successful business entrepreneur, applying his strategic and operational strengths to build ventures that reflect his values and vision. Across all roles, he is recognized as an effective, efficient, and collaborative leader who brings clarity, discipline, and purpose to complex challenges.

## About the Honors Convocation

The annual University Honors Convocation recognizes regularly admitted undergraduate students who have demonstrated outstanding achievement in their academic pursuits. In general, students must have completed at least 15 semester hours of core courses at Alabama State University with a cumulative grade point average of 3.0 or better to qualify for recognition. Special, unclassified and graduate students are not recognized at today's occasion. This does not mean that their achievements are any less important than those noted here.

### **GEORGE H. ANDREWS STUDENT OF THE YEAR AWARD**

#### **Award recipient will be announced during Convocation**

The George H. Andrews Student of the Year Award was established to recognize and honor a student who exhibits the qualities of citizenship, scholarship, outstanding community service and leadership to Alabama State University and the community. The competitive award honors a student who excels inside and outside of the classroom. The recipient must be at least a sophomore, exhibit good citizenship, participate in University activities, perform volunteer work on or off campus, and meet specified scholastic criteria. The award was established and funded by George H. Andrews, a 1951 alumnus of Alabama State University, who was named Student of the Year at his graduation. The recipient will receive a trophy and a monetary award.

### **RECOGNITION FOR STUDENTS WITH PERFECT GRADE POINT AVERAGES**

Maintaining an honors average is a noteworthy accomplishment, but maintaining a perfect grade point average is indeed an outstanding achievement. In addition to recognizing all of our honor students, we proudly honor 105 students who have maintained perfect 4.0 grade point averages during their enrollment at the University. To commemorate this occasion, each of these students will receive a large keepsake medallion that bears the image of the Jo Ann Robinson Tower and the legendary logo, Alabama State University 1867.

## Lift Every Voice and Sing

Lift every voice and sing, till earth and Heaven ring,  
Ring with the harmonies of liberty;  
Let our rejoicing rise, high as the listening skies,  
Let it resound loud as the rolling sea.  
Sing a song full of the faith that the dark past has taught us,  
Sing a song full of the hope that the present has brought us;  
Facing the rising sun of our new day begun,  
Let us march on till victory is won.

## University Hymn

Alabama State, O Mother Dear,  
Again we come to thee.  
Our pains and sorrows we forget,  
When e'er thy face we see.  
O happy harbor, blessed place,  
O sweet and pleasant soil,  
In thee we hope, in thee we trust,  
For thee we pray and toil.  
Thy Sons and Daughters love thy halls,  
Aglow with truth and light,  
And every heart beats true to thee,  
In whom there is no night.  
O Alma Mater, fair and dear,  
We proudly hail thy name,  
Which far and near is known and loved  
And crowned with glowing fame.  
Thy campus flowers and shady walks  
Bring thoughts of Marion Green  
Before thy trials in Beulah Vale,  
Which God from us did screen.  
But now we stand on College Heights  
Content with God's decree.  
For all He does is right and good  
and makes for Liberty.
